

SMITH'S GREEN MOUNTAIN RENOVATOR!

A SURE CURE FOR
Scrofula, Erysipelas, Tumors, Salt Rheum,
Fever Sores, Scald Head, White Swellings,
Heart Disease, Ulcerations of the
Lungs and Liver, and all Ulcer-
ous, Cutaneous, and Can-
cerous Affections, and
diseases arising
from an im-
purity of the
blood.

Persons afflicted with the above diseases and
having no confidence in the efficacy of this
medicine, can make an arrangement with the
Proprietor,

"To be Cured or NO PAY!"

In Dyspepsia, Bilious Complaint, Costiveness,
Diarrhoea and Dysentery IT HAS NO EQUAL,
curing the Diseases quickly with a few doses,
by removing all irritating secretions and inflamma-
tory tendencies, and giving the stomach and
bowels a natural, healthy tone.

This medicine has been used over 14 years,
yet it is unknown in many parts of the State
from the fact that it has never been advertised.
The Proprietor never intended making it for
general use, but at the urgent request of Physi-
cians who have watched its effect in severe
chronic cases, and friends and others who have
recovered by its use from diseases that appeared
hopeless, he will now furnish it to Druggists and
Dealers throughout the State.

A Circular containing certificates of the
most remarkable cures ever effected, from Physi-
cians, Ministers and others of the highest
standing in the different towns where used, will be
furnished by dealers, or by addressing

GREAT IMPROVEMENT IN DENTISTRY.

The attention of the public is called to a great
discovery in Dentistry.

THE GREATEST ADVANCE STEP EVER
MADE IN THE ART.

The main difficulty in wearing artificial teeth is,
they do not hold in their place firmly enough,
and add to this the annoyance of food getting
under the plate while eating. I have discovered
a method of so constructing the plate on
which the teeth are set that they will not start
or drop while eating or speaking, neither will
any particles of food get under the plate, no
matter what the condition of the mouth is,
which is not true of any method hitherto used.

I have secured Letters Patent for the United
States, England and France.
The improvement is not in material, but in
the construction, which cures the atmospheric
pressure on the entire plate.
I have sold the exclusive of said improvement
to Dr. L. Gilman, to wit, the Counties of Frank-
lin, Washington, Chittenden, Lamoille and
Grand Isle. Those wishing to avail themselves
of such improvement, will call on

Dr. L. GILMAN,
ST. ALBANS, VERMONT.
